SERMON NOTES

“A Beautiful Thing”

Key Text: Mark 14:1-11

Grow in your loving relationship with Jesus

Do other people know what Jesus has done in your life?

When Jesus has transformed your life, it should spur you to live more generously and sacrificially.

What does this mean in our lives?

1. I do not have to compare myself with others
2. I am not a slave to the opinions of others
3. God may use my generosity as part of a larger narrative in His Story
4. God may use our generosity to impact others for His glory

SERMON DISCUSSION

1. What has Jesus healed or delivered you from? (Be specific!)

2. Are you growing in your loving relationship with Jesus?

3. How can you begin living more generously this week, month or year?
